## C. Criteria for Substantial Deviation and Significant Amendments

### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

The Housing Authority of Pineville defines “substantial deviation” as a change in the capital budget and/or 5-Year PHA Plan of 50% or more of non-emergency work items that would require resubmission of an updated Plan.

The Housing Authority of Pineville has made no substantial deviations from the 5-Year Plan Policy as outlined in the 2000 Agency Plan submitted to HUD.

#### **B. Significant Amendment or Modification to the Annual Plan:**

The Housing Authority of Pineville will consider the following actions to be significant amendments or modifications:

- Changes to rent or admissions policies or organization of the waiting list with the exemption of HUD mandated changes in these policies
- Addition of non-emergency work items in the amount of 50% of the budget (items not included in the current Annual Statement or 5-Year Action Plan).

The Housing Authority of Pineville has not made significant amendments or modifications to the Annual Plan except those that are adopted to reflect changes in HUD regulatory requirements.
